May News

May has flown by leaving only one month of preschool left!

In May we spent a lot of time outdoors playing and catching butterflies. We even have butterflies coming out of their cocoons in our room hanging by the windows

and made butterfly art. We also made be-lated Mother's Day gifts—I hope all the great moms liked their flowers! To continue the culture theme we made dream catchers and felt babies which are hanging up

on the bulletin board if you'd like to take a look.

Preschool Graduation & End of Year Parties

On the last day of preschool, Thursday June 24th, we will be having our end of the year party! Preschool will be at the same time as usual in the morning and afternoon. Weather permitting we will have a

water play day outside with sprinklers, a picnic outside, and the slip and slide! Children can each bring their snack as usual.

The preschoolers moving up to kindergarten in the fall will have a graduation

ceremony at the Churchbridge Community Center. Below there is a form to circle which dates works best for your family for the graduation. The graduation will be held in the evening.
